The cheerful song of the saw and hammer is heard continually near our office.

Could not "Tom Sawyer" send us an article occasionally? The STAR would more than appreciate it.

Misses Mary and Annie Collins, who have been visiting Miss Louise Anthony, left on the noon train for their home in Tallahassee, having made many friends while in Ocala.

Choice, fresh water fish just received today at J. W. Davis', City Market.

It has since been found that two little negroes, set the fire yesterday for purposes of robbery, and during the alarm succeed in stealing over \$4. They were locked up.

DAVIDSON & VANECHOP.

Hon. C. C. Collins, state treasurer, sends us a dollar and says to send him the STAR. Thanks, Mr. Collins; we appreciate your patronage, and you shall find the STAR regularly in your mail.

Figures do not lie. Multiply \$36 by 7 and you have \$500—provided you invest seven times thirty-six with the Covenant Building and Loan association. Ask M. M. Little about it.

STEALING GRAPES.

Col. Adam Eichelberger says the boys and young men are taking his grapes by the wholesale.

Some 25 or 30 boys, and even young men, were in his vineyard Sunday and made great inroads on his grape crop.

Mr. Eichelberger said he did not wish to make the boys any trouble, but that he could not stand such depredations, and that if it was repeated he should in self-defense be compelled to institute measures to stop it.

SAILOR HATS!

Two cases just received. "All the latest styles" at
Mrs. C. A. BROWN'S.

A DANGEROUS CROSSING.

We wish to call the attention of the authorities to the unsafe condition of the street railway at the crossing between the Montezuma and Arlington Hotels.

The rails stick up high enough to break the springs of a buggy crossing them.

This should be attended to at once.

In order to reduce our stock and make room for fall goods, we will make a discount of 10 per cent on all cash purchases to Sept. 1.

DAVIDSON & VANECHOP.

MORE LIGHT.

Dr. R. B. Mitchell, one of the best druggists in the city, has just finished putting in a new line of incandescent lights clear through his long store room.

This adds another attractive feature to the already most popular drug store in the city.

Dr. Mitchell is right up with the times and spares no pains to draw business to his store.

A few White and Colored Vests. We are closing out at cost.
DAVIDSON & VANECHOP.

THE HOTTEST DAY.

Yesterday, last night and again today seem to us to be the hottest weather we have ever seen in Florida.

It was impossible to keep cool yesterday, and a disagreeable night is very rare in Florida, but last night was exceedingly so.

Some unusual atmospheric condition is the cause of it.

At any rate, we do not need any more of it.

P. B. Dukes went to Atlanta yesterday.

Joseph Malett has gone to Bainbridge, Ga.

J. B. Wilcox, of Newberry, was in town yesterday.

H. H. Sanders, of New Orleans, was in town yesterday.

W. O. Massey, the cross-tie contractor, is in town today.

A goodly number left on the F. C. & P. for Atlanta yesterday.

MORE ABOUT THE ROAD.

Work on the Silver Springs Electric Road goes forward unceasingly, with a gang of 45 men to do the work.

Some 20 odd of these are prisoners; and the balance free labor.

The road leaves the spring by a different and more difficult route than the F. C. & P., necessitating some heavy grading through the swamp.

Notwithstanding this disadvantage, there is a little over a mile of right of way cut, and three-fourths of a mile graded.

Mr. Anderson would not tell the reporter where the road would enter Ocala.

This can be learned later.

A BIG ORDER.

Cash Thomas, the hustling cigar manufacturer, has just finished today the order for 20,000 cigars for Col. Chipley for his West Florida exhibit at Pensacola on the 29th.

Mr. Thomas has made these 20,000 cigars in two weeks, but had to employ 15 men to do it.

The cigars were made entirely of West Florida tobacco, and are fully as fine flavor as the average Havana.

Cash is very proud of filling this big order so satisfactorily and in so short a time.
